

CHOKAMELA KALI PRASADA MANI M

prasadmekala127@gmail.com | 9866515999 | Chennai, India

Summary

I am Prasada Mani, an undergraduate student at SRM University, Tamil Nadu, currently pursuing a B.Tech in Computer Science. I aspire to become a software developer with a strong foundation in both frontend and backend technologies. My goal is to leverage my skills to develop scalable and efficient applications. I have successfully completed various projects, including scalable web applications, showcasing my ability to build and integrate complex systems.

Education

SRM INSTITUTE OF SCIENCE AND TECHNOLOGY B.Tech · Computer Science · Chennai	Sep 2021 - Present 8.98
Narayana Juniour College 12th · MPC · Vijayawada	- 88%
Dr.KKR Gowtham High School 10th · Gudivada	- 82%

Projects

E-Commerce Platform Development · React.js, Express.js, Node.js, MySQL	Jan 2024 - May 2024 Web Development
Developed a scalable and efficient e-commerce platform featuring a dynamic and responsive user interface using React.js. Built a robust backend with Express.js and Node.js to manage server-side operations, including user authentication, product management, and order processing. Leveraged MySQL for reliable and efficient data storage and retrieval. This project highlights my proficiency in full stack web development, demonstrating my ability to integrate various technologies seamlessly to create a cohesive and high-performing application	
Movie Recommendation System · Python, Pandas, NumPy	Jun 2023 - Oct 2024 Machine Learning
Developed a movie recommendation system using Python, leveraging Pandas and NumPy libraries. Implemented cosine similarity and cosine distance algorithms to analyze user preferences and provide personalized movie recommendations.	

Certifications

Machine Learning Coursera	-
Full-Stack Web Development Udemy	-

Volunteering

Directorate of Student Affairs Committee Head	Jun 2023 -
Consolidated fest logistics and streamlined processes, resulting in a 30% reduction in setup time and improved event efficiency for 700+ attendees	

Skills

Python, JavaScript, C, C++, React.js, Express.js, Node.js, NumPy, MySQL, MongoDB
